Education

Masters in Computer Science
International Economics and Humanities University at Stepana Dem'yanchuka St, 4, Rivne, Rivne Oblast, Ukraine, 33000 | 2012 - 2017

As a computer science student at my university, I had a unique and valuable experience that prepared me for success in both academic and career pursuits. From the comprehensive curriculum to the knowledgeable and supportive faculty, my time at this university has been nothing short of exceptional. In addition, participating in extracurricular activities has allowed me to apply classroom concepts in practical settings and network with industry professionals.
